“ *My deepest sympathies to Gaye's family. She was a very dear friend in high school and we even shared a lockerr together at BKHS. Gaye had a spunkiness about her and everyone loved her personality. May she rest in peace.*

“ *Mrs. Throckmorton and Cliff,
I am just so deeply sadden by the lost of Gaye. She , Cliff and I were quite the running buddies in our twenties. She was like the mother hen always keeping us in line. We had many good times together and some of the best memories of my life included Gaye. She will always be my Gaye-Boz. I truly loved her. Please know that you both are in my thoughts and prayers.*

“ Whenever I think of Gaye I remember all the fun times we had at the old Bradford skating rink, the rides in the old Toyota or my buick. The crew skated most Friday and Saturday nights. Learning to dance from Cliff. Hanging out and growing up together. I will miss her.
