“ *I am so sorry to hear about the passing of Mr. Eans. He was such a kind, sweet man. He used to wave at me and my little sister every morning as he went to work at the pumping station at West Point, and we waited for the bus to pick us up on Hwy 36 East. He never forgot me, even though that was back in the 1980's and each time I saw him in town, he had a sweet smile for every one he met. I will keep the Eans family in my prayers. I am truly sorry for your loss.
