“ *Stacey, We lift our prayers up for you. Daniel was so young, but there are reason we don't understand that God is making a difference in your life and Daniel's. Lean not on your own understanding but lean on God and the promise of everlasting life thru his precious son Jesus. Daniel was a child of God and please keep all the precious memories you two have created together and count them as a blessing only God can give. We have loved you since you were a baby and we still love you as the strong young lady you have become. God bless you with his comfort of peace.*

“ God our Father you have called Daniel home, what you have saved him from, or why his time was so short is not ours to know. What we do know is that his life made a difference in our lives, and in this world. That he was and always will be loved. Father right now we are hurting and broken, this loss has left us with such an emptiness inside, an emptiness that even our grief cannot truly express.

Father we ask that your loving hand be with his family, his wife, his mother, his father, his brothers, his grandparents, and with us. We ask that you will accept our heartaches and our grief for the human weakness they are and we also ask that You help us to find comfort and strenght in knowing that Daniel is resting peacefully in your loving arms.

Father we want to thank you for the time that we had with Daniel, for all the love and the joy that he brought into our lives, though he is gone from us now his memory will continue to live in our hearts.

Daniel we will miss you.
