“ We have only know Danny for a couple of years since purchasing property from him. I enjoyed the conversations we had and just wish that we had had more. Each time I visited my land, I always looked to see if he were perhaps outside hesitated knocking on his door for fear he might be resting. We will miss him. Our condolences to the family.

“ Danny was a great Guy. I enjoyed the years we spent looking for antique tools and a good meal. They just don't make them like that anymore...
