“ My heart goes out to this family May God give you strength during this time of sorrow and the days to follow. Dan was a good man that I have known for about 36 years and have many cherishable memories throughout those years. He had the biggest heart just like his father and would do anything for anyone! It saddens my heart that he has left this world way to soon and I am lost for words. I love all and I am here if anyone needs me or just needs someone to talk to God Bless you all! Dan go rest high on that Mountain, God has another loving angel.
