*I'm without words that I can describe how much I loved Danny, we grew up together and we had a lot of fun and we got into a lot of trouble together, but I never knew anyone else that loved family and fishing the way Danny did.
Danny was the closest thing I ever had for a Brother, and I loved him like a friend and brother.
I will never forget how much fun we had together in our young days, Danny NEVER had anything bad to say about anyone and he was always very kind and loving to his family and friends.
I will always remember the good times we had together and the trouble we got in together.
I love you Danny and I will always miss you Brother.*
