“ I worked for Danny as a laborer in the summer of 1988, the year I graduated high school. He was by far the best boss I ever had. Mentor is a word that best describes how I see him. He was a huge part of the man I am today. It's sad that the world has lost such a great person. So many young men and women will miss a great opportunity to learn how to be a good hard working and loving person without him here. GoodBye Danny, you will be missed. Jesse Boyce
