“ *Darlene was a great person. So kind and loving. I met her after she married Eddie and was so glad she became part of the Gregory family. She will be missed by many. And to her family, I wish I could be there right now to give you all hugs. I will pray for you in this difficult time. It will get easier, slowly; in the meantime just enjoy the great memories you have of her. Tell your Darlene stories to each other as a way to continue sharing her love. Much love to you all.*
