“ I stumbled upon this page when I was on my mom and dad's computer looking things up and when I saw this page pop up I knew that Papaw wanted me to see it... So I watched it. I believe he wanted me to watch it b/c I couldn't go to his funeral. I cry when I watch it but it brings me comfort when I do... I was wanting to go see Mamaw and Papaw for years but we couldn't, so when mom told me we were going down there to see them when I woke up I was happy well... up until the moment I found out why we were... I'm at school right now posting this it's 10:09 A.M. right now. By the way I watched the video and I saw the picture of Papaw, Mamaw, and Me...

Thank You And I Love You All,
