“Darrell always gave me a hug and asked how we (my husband and I) were. Tonia Hale is our wonderful daughter-in-law. We are EMT's and saw him out on a run sometimes. We do first responder work in the Russell area. He will be greatly missed. May God comfort you in this time of sorrow.

“ Darrell and his wife Vicki and his mother and father Pat and Darrell have historically been an integral part of my life and my childrens. Although Vicki and Pat were my childrens care givers, Darrell willingly stood in to be there to watch over my children even when he had his own and many other obligations . Working as a recieving nurse for Northstar patients Darrell continued to show great compassion for those in his keep and was always laughing,joking and cutting up in such a way to lighten everybody's load. I grieve greatly for his family; his prescence in their lives is an uncomprhensible loss. Vicki,Pat, Darell,Nick and the rest of the family you are all in my thoughts and I am praying for you every day.

“ I just got the news of his passing and I am so sorry for your loss. I work for Emergency Medical Products in WI and Darrell would purchase his supplies for NorthStar EMS from us. Over the years I became his CSR and we would talk about everything under the sun. He loved his Family so much and always spoke kindly about his wife and children. I never got to meet Darrell in person but I felt like he was a friend more than a Customer of mine. I will truly miss Darrell everyday. I feel so honored that I got to know him even for too short a time. I will always know he is looking down on me forever.

Be Safe,
