“ A great and wonderful man that lead his life for his family and friends. He would always take the extra time to sit and have a conversation with anyone. A great man by any means, good and kind hearted. He will never be forgotten in our hearts he will remain as a close and faithful memory to look back on and smile not cry. For the joy and life that he brought into our lives. We love you Uncle Darrell and will always proudly remember you and your great heart. I only pray that when my time comes I can look back on my life and see mine to be as wonderful as yours was.
