“ Dear Ms. Burnley,
I know this is very late but I am so sorry to just read of Mr. Burnley's passing. I appreciate so much the influence that you both had on me...a stuggling beginning teacher. I have very fond memories of working for you both at Pangburn High School. I apprecaite how you both welcomed us in to your beautiful home and testified in such a wonderful Christian way concerning the careers of education. I was able to learn from both of you, watching you work together to make the Pangburn district the best that it could be. I wish you well
