“ I remember a young boy skate boarding in his back yard on a ramp that his dad and him built. I remember a young man that was married and lived accross the street from his family. I remember spending many summers cooking out and sharing meals between families. I will miss David as he has shared his life with my chidren, Cheryl, and myself. We will all remember David. I am so sorry that i can't be there in your time of need but my heart will always be with you. Syliva and Butch; I love you guys!

“ Sylvia & Butch...we can't even imagine what you both are going through but our hearts are aching for you. We remember David since he was little when our children played together. He was a great person and always smiling. We pray for God to give you strength to get through this very difficult time. Always trust that God will take care of you. Our thoughts and prayers are with you all. With Love & Sympathy, Shelly & George
