“ We are so very sorry we couldn't be there today. Our hearts are with ya'll as you say g'bye to ya'lls Dad and our dear friend and brother. He loved you kids and "most" of his family! Phil loved deeply & loyally. He either loved you with his WHOLE heart or he didn't at all...you never had to wonder!!
It might be months, sometimes years without seeing each other...but it didnt matter. We picked up where we left off....He was one of my first childhood friends that I was lucky enough for that friendship to last his entire life...and i'll cherish his memory for the rest of mine... One thing bout it...its not the way you hire out up there!! Tell my daddy I said I miss him!

“ *Bobby and I worked for Phil several times. He was awesome to work for...or to hang out with after work!!There would be times Phil would be mad, stompin his feet, kickin up dirt n flailing his arms up in the air like he was fixin to fly plum off the ROW!! Yelling the whole time...until he seen me laughing my head off! I'd let him see me laughin at him then I'd turn my back to him real quick n peak over my shoulder with my hand over my mouth tryin to stifle my laughter!! Hed hollar at me, saying "DAMN YOU CHARLOTTE K, YOU CANT LAUGH AT ME WHEN IM MAD!!"and I'd keep laughin n tell I'm I couldnt help it I was waiting for him catch flight!! Lol! It wouldn't be but a minute then n hed cool down, cussing me under his breath but then hed start to laugh! I loved his laugh.*
