“ *Deepest sympathy to all of David's family, especially his wife & children as well as James & Vina and Jimmy and his family. This was very shocking since I always remembered David as very outgoing and athletic. God be with all of you, Barbara Brumley*

“ Sad is what it is...it seems only yesterday that David picked Terry and I up at the train station at 3 o'clock in the morning in Little Rock, smiling... went to his and Pam's house and we all watched Prince William & Kate's wedding. We used David truck to drive to his Uncle Bud's memorial service in Bald knob and then had to stay with David & Pam while the flood waters receded so we could get back on train to return to Michigan. I will grieve David with all the grace I can muster and know that the rest of his loved ones will do the same. He will be with me in my heart and mind forever and ever. May God grant his immediate family the strength and courage to keep on living with love and care and gratitude for his time spent on this earth. He was a teacher of goodness and kindness...
