“ Bubba, I'm so sorry I wasn't there to protect you. I'm sorry carelessness ripped you away from the lives of so many people who love and adore you. I had plans to own a home in a year or two. I was taking parenting classes. I thought I had time. I thought about you ever single day. I miss watching you dance in your crib in the mornings. I miss singing abc's with you. I miss that smirk on your face before we would start rough housing. I miss your smile I miss your giggles and your curiosity. I miss watching you chase your sisters around. I wish more than anything I was able to do anything just to have more time with you. I wish you spent more time with uncle mage and grandma mimi and your great grandma,with all miss you so much. I can't believe this. I don't wanna say good bye because I love you so much In so sorry
