“ *We were so sorry to hear about Dean's passing. I know he had struggled for quite some time with cancer. He is now in a place without any pain or anxiety. Be comforted in knowing you will see him again someday.*

*Love,
Kimberly, Tim & Meredith*

“ *My heart and prayers are with you and your family during these difficult days, but you are in the best of hands with Rev. Dave Anderson. He was my minister in Staunton, Va. He and Carol are very dear to my heart and I'm sure yours, as well. May great memories sustain you through the days ahead.*

“ *Every time I saw your daddy, he would brighten up, get a big smile
and tell me " Carolyn's coming home!" He had an excitement about
him that made him glow. I could see and feel the love he felt for you.
You are truly blessed for having such a wonderful daddy.*
