“ He was a amazing teacher. It saddened me to see how downhill things went in his final months. I will miss him very much. This was gonna be my last semester at asub and I'd hoped he'd make it threw and I'd graduate get a good automotive job and come back to share how it was possible because of how much he taught me. But now what he taught we be held closer to my heart knowing he helped me down a path to better my future career

“ I knew Dean Query for about 2 years. He was my automotive instructor at ASU. He not only was a good instructor. He was a great inspiration to my life. I came closer to christ because of him. I know he's jumping for joy in heaven, but deep down it hurts me to know that he's gone. I pray for the healing of the family of Dean Query.

“ What can I say about Dean that has not already been said. He was an amazing person and could light up any room that he walked into. From the first day at ASU he treated each and everyone of us like he had known us since birth. Dean you will be missed greatly, keep the cars running for us and try and leave us some fish to catch!
