“ To Deborah's Family: I was totally shocked when I saw this in the newspaper. I first met Deborah in the 7th grade and I can remember spending the night with her & going to the bowling alley at Harding. I also worked with her at Ransom and Koch after we were out of school. I always thought of her in October, because we had birthdays that were close together. I am so sorry for your loss.

“ My thoughts and prayers go out to the kids and to the family. May God provide the peace you need through this time and sustain you with His love.

So many memories shared over the years growing up at South Heights with Deborah, Donna and Ray in youth group, not to mention all the time spent either at one of our houses playing. Time may move our lives in different paths, but memories will always remain.

“ I am so very sorry for your loss. I was Deborah's supervisor when she worked for Ransom & Koch Clinic. She was a beautiful young lady, and I thought she could have been a model because of the way she carried herself & her good looks. My heart, and prayers, go out to the family at this sad and difficult time.
