“ I've known the Smalley family since our days in church together in North Little Rock in the 80's. Debbie was such a precious lady and so fun to be around. She loved her family! One thing we can find comfort in is knowing she is in the presence of her King. Her mind is restored and she is made whole! I can only imagine the reunion going on right now. My love and heartfelt thoughts and prayers go out to her family. Love, Mitzie

“ I have not seen Debbie since the late 80's. She was a very good friend and helped me through one of the most difficult times of my life. I was blessed to know Debbie and I know I will see her again some day.
