

Debra Rochelle Larios

November 1, 1961 - March 3, 2025

Debra Rochelle Larios, 63, of Searcy, passed away on Monday, March 3, 2025, at the St. Vincent Infirmary in Little Rock, Arkansas. She was born on November 1, 1961, in Lawton, Oklahoma. Debra had a musical soul and loved listening to music, singing, and attending concerts. She also enjoyed reading, listening to audio books, going to the movies, and thrifting. Sitting on the front porch of her home and enjoying a nice cup of coffee was part of her daily routine, and something she found great peace in doing. Debra worked for over 20 years at the Arkansas Department of Health. Many of those years she spent working as a lab technician. She absolutely loved her job and the patients that she encountered day to day. Debra had a giving, generous, and sincere heart; always helping others in any way that she could. She especially loved her family, and was always so proud of her children's accomplishments, no matter how big or small they were. Her family will forever cherish the many memories made with her, and will always remember her as the happy, optimistic, selfless person that she was.

She is survived by her children, Cory Carthorne (Shelby), Roy Carthorne, Jr., Mildred Carthorne, Gertrude Franks (Michael), and Dante Villeda Larios; eight grandchildren; as well as a host of extended family members who will miss her dearly.

She is preceded in death by her parents.

A memorial service will be held on Tuesday, March 18, 2025, at 11:00am, at First Assembly of God in Searcy, Arkansas.

Arrangements are entrusted to Powell Funeral Home of Searcy. www.powellfuneralhome.net

“ Debra was the “Love” of the Health Department!!
I worked with her for 9 years and we retired within a month of each other.
I am ashamed to say that I did not keep in touch with her as I should have.
She absolutely, cared for everyone 💕
I would see her at the Searcy Lightle Center when I was picking up my mother in law.
She will be missed by so SO many and I know what a loss this is for her children.
Prayers for each of them.

“ She was such a precious lady. I loved her so much. She was a bonus Mom to so many of us growing up and she loved us all. She was a voice of reason and made sure to correct us if we were wrong. I know she is crowned in Glory and loving being able to worship her Lord at His feet. My prayers are with her children and grands, whom she lived for.

God has called another mighty warrior home! Debra aka Ethel to me. I will miss you so much. We were sisters to each other. We always kept in touch,hungout together,sang the 70's oldies together. Working At the Carwash song driving down the road with you. What a fun day! We were nicknamed Lucy&Ethel/Ethel one day @ work in Lab for what we were trying to do.we always laughed about that day. Referred to each other as Lucy/Ethel from then on. What an inspiration. Her moto To Blessed to be Stressed. Had a license plate with those words. I'll see you again someday my sister. To you Kids comfort,strength healing for your hearts as only God can give. Love each other stay close always. You know that's how your momma would want. Love you all Lucy❤️
