“ *Earth has one angel less, and heaven one more since Monday. Already, kneeling at the throne, she has received her welcome, and is resting on the bosom of her Saviour. We all love you and miss your dearly! Words can't explain the hurt & pain we feel without you here but we know that you are no longer suffering and that GOD needed one more angel up there to watch over all of us. May you RIP and we all shall see you on the other side someday!*

Love you Aunt Josie,

“ We are keeping the Martin Family in our prayers. May Josie RIP and her family know that she was loved and cherished. Know now that she is no longer suffering and that she is now looking down on us watching over each and every one. The best and most beautiful things in the world cannot be seen, not touched, but are felt in the heart. An now that's where she forever regins.

We love you and miss you dearly.

Love, Shevery Conner, Liz Hazelwood, Shelby Huggins, & Gina Holbrook.

“ Josie

A special cousin is hard to find,

You Josie we are keeping in our mind,

We wished you could have stayed forever,

But we will never forget you, oh not ever.

If dreams weren't dreams and dreams come true,

We wouldn't be here we would be with you.

Distance is one thing that keeps us apart,

But Josie you will always remain in our hearts.

A special smile, a special face, a special someone we can't replace,

We love you and we always will,

You filled a space that no one will ever replace.
