“ *Dena and I were very close growing up. My mom and her dad were siblings. During the summer, my sister, Candy (she passed away last year) would go spend a couple of weeks with our Arkansas cousins. We always had a great time. I hate to admit it, but Dena and I would gang up and be just a little ornery to Candy and Bobbi. Not very nice of us, but we didn't think anything of it back then. We always looked forward to these summer trips. They were some of my fondest childhood memories. I love you Dena. Rest In Peace sweet cousin.*

“ *Dena and I grew up together in Fayetteville. I have so many memories of spending the night at each other's houses. One particular memory that comes to mind is Dena and I having an aluminum can smashing event at her momma Ruby's house in her driveway. We even got our picture in the Fayetteville paper. It must have been a really slow news day!*
