“ My brother from a different mother...Man, what a ride...we have had some adventures, you and I...both our fathers who are now deceased were fathers to both of us...My heart and memory are over-flowing with all the memories that actually started when we met in the 3rd grade!! 42 years of friendship... Hopefully get that bad elevator music off your photo/video and replace it with CrazyTrain!! Way Way more appropriate!! I miss you buddy...see you on the other side...
