“ Even back in his earlier days of being a Searcy police officer , he was the officer that you wanted to see come to your home to assist you in an emergency or even be the one to stop you in a traffic stop! He stood behind the Protect and Serve in Searcy! So sorry to hear of his passing... My thoughts and prayers go out to his wife and family.

“ When Denny first moved to Searcy back in the 70's, he rented a house across the road. I used to babysit his twin boys when they were babies. When my brother, Ricky Shourd, and Denny worked the overnight shift for Searcy PD, they used to race home. Of course they were young and had been working all night, and they would stop on the road in front of our house and laugh and carry on about who got home the fastest. I remember waking up hearing them outside. So sad to hear of his passing.

“ Denny,
You were a great co-worker , and a great friend. Wherever we went at least one person always knew you. You always helped me when I was asking for advice, and I just wished I could have meet you many more years ago. We'll see you again someday in a better place brother.

“ I'd known Denny, it seems, forever; one of my favorite memories was at a Christmas parade in Searcy, and he invited my daughter (who was very small at the time), up to the top of a building that's no longer there, to watch the parade. He will definitely be missed!
