“ My sweet FAV nephew. I haven't written on this site cause I just don't know what to say. You are on my mind and in my thoughts all day. Rest assured I'm taking care of your mom and dad and your precious lil sis my other FAV niece. I can not say good bye so I'll just leave it at when I see you again.
Ps. Thank you for the warm breeze. I knew you'd find away to give your ole Auntie Beth those big ole bear hugs. Not quite as good as the original but I will gladly take what I can get til we are reunited in our eternal home. I love you to heaven and back a zillion trillion times and then some. Forever in my heart
