

Devon Adams

February 11, 2005 - April 15, 2011

Devon Silas Adams, age 6, of Bald Knob, went to be with the Lord, Friday, April 15, 2011. Devon was born February 11, 2005 in Little Rock and arrived a month early weighing only 3 pounds. He was described as a “little fighter”, never requiring a ventilator. He was a happy, outgoing and very smart kindergartener at the H.L. Lubker Elementary School in Bald Knob and was in Mrs. Horton’s class. He really loved playing his video games, especially “Last Air Bender”, which he had beaten several times. His favorite toy was his “Battlegon” and he enjoyed it so much his dad said he wanted to put it away and preserve it forever. Devon never met a stranger and his mother had to regularly caution him about being so outgoing and talking to strangers. He most of all loved his little sister and helping care for her. He was an excellent big brother, and was always looking for ways to help with her. He was also very excited about meeting his big brother, Zachary, for the first time this May. Although his time here on Earth was brief, Devon had an incredible impact on many people. He will be missed.

He is survived by his parents, Floyd and Amanda Adams; a sister, Amarie Ashlyn Adams of the home; a big brother, Zachary Tyler Adams of California; grandparents, David and Evelyn Smith of Searcy, Floyd and Lisa Adams of Tuckerman and Mary Linda Adams of Searcy; great-grandparents, Rosie Barker of Searcy and Mary Turney of Russell as well as numerous aunts, uncles and cousins.

Visitation will be Tuesday from 5:00 – 8:00 p.m. A celebration of Devon's life will be held Wednesday, April 20, 2011 at 2:00 p.m. at the Powell Funeral Home Chapel in Bald Knob with Bro. Scotty Burrow officiating. Interment will follow in the Shady Grove Cemetery by Powell Funeral Home, Bald Knob-Judsonia. On-line condolences can be left for the family at- www.powellfuneralhome.net.

“ Devon, though your gone from us, in your short life you left Poppa and I with wonderful memories that have the power to make us smile even through our tears. Weather it was eating a bag of M & m's dipped in ranch dressing, fishing with poppa and your dad, or listening to one of you many stories, your were always a ray of sunshine, Everytime I look at the weeping willow tree outside my window I remember the last time your were here and your little voice telling me, Grandma Lisa, I'm a good tree climber and I can climb that tree. I hope that you have all the trees to climb in Heaven you want. You have your own special place in our hearts and it will ache for everyday until we see you again.

We love you

“ I cannot begin to imagine the pain and sorrow you and your entire family are experiencing. I do know, however, that what God brings you to, He will also get you through! Try to use this tragedy to deepen your beliefs and strengthen your faith. You and your family will be in my prayers for your comfort, acceptance, and solace. Please let me know if there is anything I can help with!

“ Devon I am so sorry that Grandma Lisa and I didn't get to spend more time with you while you were here, but what time we did have we will remember forever. We always had a lot of fun on our camping trip each year and they will be my special memories. We love you very much and we miss you terribly, some day we will be together again.

“ Devon you was only here for a short time but I am thankful for the time I got with you. Before I got married and had a kid of my own you was my life. I can remember you asking me for something and I would do my best to get it for you even if your mom and dad said you didn't need it. You was my buddy and I will always love you I miss you lots but I know that you are in a better place. You are with the rest of the family telling them stories. Richard and Amanda if you need me you know where I am I pray for you guys every night and I am so sorry that this has happened to you I love you guys a lot

“ Devon I am going to miss you. I remember how your mom and dad would bring you to the house and you were never ready to leave when they were. Your dad or mom would say "come on son give your loves we have to go." But they might have to tell you two or three times before you did, because you weren't done visiting yet. And then you would wrap your little arms around my neck give me a kiss and tell me you loved me. I'm really going to miss that.
I love you
