“ *Dina was so loved by her family and friends, especially her grandmother, Audie, who is so shattered by this loss of this dear one. May God's Divine Presence touch hearts and sweep over all your souls with His Divine love and Presence and...may that love enfold, surround and comfort each one.*

*What a blessing Dina was to each one and now the angels are watching over her as she rests in the arms of God. Being alive requires of us a relationship with the mysterious, life-long experience of letting go. May grace guide all as you gently let go.*

*With Love

“ Dina, it is hard to believe you are gone. I remember when You, Zan, and Mike would come and stay with us all the time. We had so much fun. Momma was just talking about how good your butter roll was after she taught you how to make it. But then again, you were a great cook. I am happy that I have memories that will last a lifetime. I miss you and love you. R.I.P. & L
