“ *Paula and Tyler, my thoughts and prayers are with you. Donnie is still an inspiration to so many. It will be so hard without him, but you have each other to lean on, and countless others, if I can do anything, please do not hesitate to ask. There are holes in the floors of heaven and he is watching over you both. I laughed so hard with Donnie so many times, and can not remember a time when we did not see each other and smile. He had it hard at times, but kept the faith, as he did, chin up and smile.*

“ So, sorry for your loss. He taught me a lot when I worked WCV, and always made sure I didn't get caught when I messed up. But, never hesitated to tell me what I did wrong and the correct way of doing things. I am blessed to have meet and known such a wonderful person. I am keeping the family in my prayers.
