“ To see the blue in your eyes so bright
Shining like bright stars on a crisp moonlit night
Gazing in them I love to see
So much passion meant just for me
Safe and secure in the warmth of your charm
I know that with you I am free from all harm
A memory is what I take to get me through til when
The day that comes that were both reunited once again
Remember me as I will you and keep my love so true
For there's nothing in this world that I wouldn't do for you
Distance in miles will keep us far but in our hearts were near
For what I feel inside my soul is love for you so dear
Loving, caring and trusting heart is what you gave to me
And I give to you a piece of mine to keep for an eternity

“ *I know your life on earth was troubled
And only you could know the pain
You weren't afraid to face the devil
You were no stranger to the rain*

*Go rest high on that mountain
Son, your work on earth is done
Go to heaven a shoutin'
Love for the Father and the Son*

*Oh how we cried the day you left us
We gathered 'round your grave to grieve
I wish I could see the Angel's faces
When they hear your sweet voice sing*

*Go rest high on that mountain
Son, your work on earth is done
Go to heaven a shoutin'
Love for the Father and the Son*

*Go to heaven a shoutin'
Love for the Father and the Son*

“ *'Lord, support us all day long until shadows lengthen, evening comes, the busy world hushed, the fever of life is over and our life's work is done.*

Then, in Thy tender mercy, give us safe lodging, holy rest and everlasting peace at your side for eternity.'

Amen

“ *Lord on this Labor Day, we celebrate the work we do, and we thank You for the blessing of our jobs. We ask for those seeking employment that You guide them in their search for work.*

We ask for guidance when we are confused.

We ask for patience when working through conflicts.

We ask for strength to complete each day.

We ask for rest when we are weary.

We ask that You be with those whose faces we might never see but who work tirelessly each day for the good of us all.
