“ I will always have fond memories of my Aunt Donna and Uncle Dick. They always let us stay up too late and we had so much fun at the holidays. She was loved by many especially in her early years...she had nieces and a nephew that was at all the holidays with her. Those are the days we choose to remember. She is with her loves now. “ When Larry wanted to find his cousins, Diana was the first one he looked for. What a beautiful spirit this lovely lady had. The peace maker, a gentle soul, A smile for everyone, more love in her heart than anyone I have ever Met. Donna loved her Lord first and that love for her Lord spilled over to her family, her friends, the underdogs, and anyone else who was within sight of her beautiful smile. Our prayers are with you all. All who loved her.

“ Aunt Donna was a person that just lit up a room when she walked in and you knew you would no longer be bored to tears because she would have something to say that kept you very interested or she was just funny and her daughter Collette who I love like she could be my own sister is just like her. You never saw one of them without the other bc they werent just mother and daughter they were best friends too. my grandmother and Donnas mom were twin sisters and this is a very loving and beautiful family i am proud to say i am a part of. I am sure nanny and Aunt tot are so glad to welcome Aunt Donna home even though us here will remember her beauty inside and out until all the family can be together again. Collett i am sorry i cant be with you tomorrow but you will be in my heart, you are a reflection of your mother and full of strenth. i love you guys. All my love micha

“ In my wedding Donna carried one long stem rose. It slipped out of her arms. Not wanting to draw attention she just kept her arms cradled, maintained her composure and continued walking. That was one brief moment, but throughout life Donna maintained her composure and continued walking.
