“ Sometimes we don't understand the tragedies in life and this is definitely one of them that I don't and won't! I will always cherish the moments I was blessed to share with Donna! I watched her grow into the beautiful young lady she became, loved to watch her beautiful smile when she was with our girls and the giggles she had while riding on the four-wheeler with me. She wasn't only beautiful on the outside but also had a beautiful soul inside and out! May God give everyone strength to make it through this difficult time and know that the Lord just got another gorgeous angel for the heavens above!
