“ We love you, “Miss Donna”, as my 2 boys affectionately called you years ago at Arnold Drive Elementary. You could light up a room with your smile, and I’ll always remember and treasure our friendship. Heaven is lucky to have you! Much love from the Clancy Family.

“ So sorry to hear about Donna . I didn't know her long , but there were many days she was the only bright spot in my day. My Mom lived down the hall from her on the independent side and I took her lunch to her. She could always make me smile no matter how the day was going . My thoughts are with the family , I know she loved you all very much . Doris Riehle
