“ Doris was a good friend and neighbor. She knew everyone in town bc of contacts she made from their grocery store business. We shared many meals together and she was a good cook. She had a heart of gold and loved it when all the neighbors gathered at their house for watermelon or ice cream. She had a good voice and we all would sing hymns together. . She will be missed by all us who loved her dearly. RIP sweet friend.❤️❤️

“ Some of my favorite memories of my years in Searcy involve the Parishes. All the basketball games watching Patrick hit those 3's, the times planning parties for our kids, stopping by the store on the way home and hearing “the latest” from Doris and hearing Doris talking so lovingly about her boys (even if she did always call Patrick “Kendall-Patrick”.) Bob, I am so very sorry for your loss. Please give my love to your boys and know that I send my deepest sympathy.

I have always had great love and respect for your family! It saddens my heart to learn of Doris passing. I know there will be a huge void in your hearts. Cling to the knowledge that she knew how much she was loved and that she is no longer in pain but celebrating life terry! God Bless you all!

“ Bob I'm so sorry the loss of the sweetest lady I've ever known. I'll never forget our little talks when I would come in to the store on Saturday's to get a sandwich for dad and me while working at our car lot across the street. We had some good talks. God bless this wonderful family and if I can help in any way I'm always a phone call away. 🙏🌸
