“ Loved visiting with Dorothy. She was musically talented. Very strong willed & independent lady. Heard her play her dulcimer a few years ago & she gave me advice on piano playing. First met her at the springs (before it became the springs) she had fallen & hurt her hip. Loved her. Prayers for the family.

“ Kaye, I just found out about your mother's passing. I am sorry to learn of it. I have many happy memories of going to dulcimer workshops together and playing a few times with the Dulcimer Folk group.
