“ *Mom you will be so missed not sure how we will all go on without you, and things will never be the same but I know you are so happy where you are and rejoicing with your sister and mom and brothers and your dad, I will see you again soon one day and will get to tell you I love you and give you a big hug. But for now you enjoy your new home because we all will be fine until we meet again. I am being strong for dad and selena and I will make sure they are ok. It will take time to heal there broken hearts just as it will ours but we are glad you are no longer suffering. You go rest high on that mountain now and know we all loved you very much and will miss all your silly stories and your smile, I love you mom so rest in peace.*
