“ I'll always remember Virginia as my sister in law, she was always so happy and bubbly and was fun to be with. I remember when growing up in Kensett Assembly of God church she was always willing to help with the young people. She would help with taking our Sunday School Class or C.A. class on an outing somewhere and we all seem to have the best time with her. She will be greatly missed but we all know she is with our Lord and Savior now. Our prayers with you all at this time.

Virginia, who I always considered my sister-in-law, was a neat person to know. She was always full of energy and conversation. Always enjoyed being around her. She didn't do such a bad job raising her 3 boys, either. They all turned out just fine. I remembered the last time I was able to visit with her. Even though it was in the nursing home, we just talked and talked about old times. We all will miss her on this earth but what a reunion she is having right now!

What a precious lady! I have never forgotten how she made Sunday School Class interesting and very informative. She made the Bible come alive in our hearts. My dad was the pastor at that time. She would have us over many times to eat at their house. I thought She was an awesome cook! Childhood memories make a big impact on our lives! There are so many things I remember about her. She took our Sunday School Class to petit Jean Mountain. I rode my first Ferry Boat there. Virginia had a heart full of love, and she demonstrated it to everyone she knew. My dad pastored in Kensett while I was in the third through the seventh grade. Those years in Kensett will always be a very precious part of my life and memories. May God Comfort all her family and friends. Love to all of you.
