“ I had known Dorothy for a very long time. In fact she was one of my favorite cousins as well as a very special friend. My heart felt and deepest sympathy to all of her family and friends. Smile because she lived You can shed tears that she is gone, or you can smile because she lived, You can close your eyes and pray that she will come back, or you can open your eyes and see all that she has left. Your heart can be empty because you can't see her, or you can be full of the love that you shared, You can turn your back on tomorrow and live yesterday, or you can be happy for tomorrow because of yesterday. You can remember her and only that she is gone, or you can cherish her memory and let it live on. You can cry and close your mind, be empty and turn back, or you can do what she would want: Smile, open your eyes, love and go on.
