“ *Bobby, I was sad to see that your mother had passed away. My mother passed away the week after our class reunion this year. She was sick when I went to the reunion and she died the next week. There is nothing like having a mother. She is someone that no one can replace. My prayers are with your family. Brenda Henderson Mealer*

“ *Garland, Paulette & Family,*

We are so sorry to hear of the loss of your mother and we will be including your family in our thoughts and prayers. The loss of a parent is never easy but your Mom is with God now and safe from all harm and pain. You will miss her but she's at peace now and happy with the Lord.

“ *Dear Kempson Family,
Louise was a dear and sweet lady who will be missed by all. We spent many hours talking about the family and how she loved them all. I tried a few weeks ago to call her and found that her phone had been disconnected and dearly wish that I had gotten ahold of someone to find out where she was so I could have talk to her a last time. My prayers and thoughts are with you all. I know that she loved her family very much. If you need anything just let me know. Ray, my girls and myself loved her very much.
Love to all
