“ Mom will be greatly missed. She was an Angel of peace, comfort, intercession, strength, compassion and love here on this earth and now she is standing by our Lord at home and with our daddy and brother and I am sure she is whispering in Jesus' ear about each one of us. Mom was a true total heart surrendered Christian and she prayed each and every day for everyone of her children, grandchildren, great-grandchildren and their families not only for peace, happiness and safety but Most of all for Salvation. Mom wanted the circle not to be broken when we all get to heaven. She wanted every member of her family to join her someday in the circle around the throne of God. Mom, I love you and I PROMISE I will see you someday soon. I will live my life to honor your memory.

“ I'll never forget grandma Dorothy, she was an amazing woman who touched everyone's life she met. She always told me to this day every time I seen her that she missed me begging her to come over and play with my toy's when I was a child. I know grandma is with our lord now, right along side grandpa Newman. The world lost a great lady but heaven has received and amazing angel.
