“ *Patricia, Betsy, Kent, Mike & family;*

*What a bittersweet time this must be in Cousin Dorothy's passing. We treasure those times my parents brought me & my siblings to see your parents--and you--all. What a beautiful woman of God your dear mother was. Be assured of our love and care for each of you--and your families--as you grieve--not as those who have no hope--but in full assurance of our LORD's promise to His servants of His care and eternal home.*

*God's very best,*

“ *Trish, Bob and the entire McDowell family-- Nancy and I want you to know that our prayers and thoughts are with you during the loss of your loved one--Dorothy R. McDowell. Our mothers are very special and it is hard to let them go, but we can take consolation in the fact they are in a much better place and would not trade places with those of us left behind.*

*God Bless you All,*

“ I will always remember seeing & hearing "Miss Dorothy" playing the piano when Daddy preached at County Line. She was a beautiful person...inside and out...and always had a kind word for everyone. Mother (Fran Grant) still has some white violets that were given to her by Mrs. McDowell's mother. So we will always have a beautiful reminder of her! What a treasure the Java community has in the McDowell family. And what wonderful memories! God bless each of you!
