“ I worked with her years back at Pace's in Russell. She was always so nice to me, and I really loved working with her. She was a wonderful lady and raised wonderful children. She will be missed very much. She is in Heaven Now, free from all her pain, and we are still here with ours. Our prayers are with her family, may God comfort them in this time of Grief.

“ We went to Trinity Baptist church with Jean and her family some years ago. Once she picked up our Grandson when he was just a little to hold him, She had on a blouse with a bow tie collar and he nearly strangled her with that bow. He had a thing for ties and would say "Make a Wish" just before he pulled on both ends at the same time. vss

“ Aunt Jean was an amazing woman, I could always go to her to make me fee better. I will miss her so much. Not being able to hug her neck or tell her how my week was at school is going to be hard. My prayers are still going out to the rest of the family. This is a hard time but everything will be okay. She is no longer suffering with cancer, but dancing and singing praises with the Lord. I know that she will look down on us and not want us to worry, or be to sad. I love all of you guys and I love you Aunt Jean. You will be missed

“ God allowed me to be in Nanny's life and give her the source of happiness for the past five years, Brady. I'm thankful for the chance to be a part of her life. She is a wonderful person and the most family oriented I've ever known and Brady and I love her very much. Her last words to me were thanking me for giving her Brady. She will be able to watch him from Heaven now.
