

## Doug Davidson

January 17, 1957 - April 19, 2025

Doug Davidson, 68, of Searcy, Arkansas, passed away on April 19, 2025 at Providence Assisted Living. He was born January 17, 1957 in Los Angeles, California to Ken and Margaret Davidson, who preceded him in death.

Doug was born autistic and totally blind, but his challenges never stopped him from achieving extraordinary things. He attended Crowley's Ridge College then earned a Bachelor of Arts degree in Communications from Freed-Hardeman University in Henderson, Tennessee. His passion for music was unmatched: though he never took a piano lesson, he could play any song by ear. He also memorized the entire Bible, a feat that amazed everyone who knew him. Known for his incredible memory, he never forgot a birthday and always made sure to celebrate those close to him. The highlights of his week were the twice a week devotionals at Providence brought by the Westside Church of Christ.

Doug was one of the kindest souls you could ever meet. He was loved deeply by his family, including his two brothers, Don Davidson of Tyler, Texas and Dr. Dan Davidson of Searcy, Arkansas.

A special thanks to Dr. J.R. Davidson and the caring staff at Family Practice Associates and Providence Assisted Living.

Doug will be interred with his parents at the Veteran's Cemetery in Hawaii. Local arrangements are entrusted to Powell Funeral Home of Searcy. [www.powellfuneralhome.net](http://www.powellfuneralhome.net).

“ We are saddened to hear of Doug's passing, but rejoice that he is reunited with his parents who loved him so much! Our lives were blessed to work with the Honolulu Church through the years and get to know the Davidson Family. Their lives centered around loving and giving to others and sharing their faith. Doug brought us so much joy getting to hear him play the piano and sing so beautifully! It was always special to hear from him on our birthdays and we will miss talking to him to catch up and hear one of his latest jokes. Our thoughts and prayers are with the family.

“ Doug was really the most miraculous kid. I am sorry to hear about his passing. After he had moved from Hawaii, he used to call me from time to time. I was surprised when he told me that, in spite of his love for singing, leading singing made him nervous. How courageous he was, and loving and kind and funny and thoughtful. Now he is reunited with his parents. Doug, tell Margaret and Ken we said aloha! Bettie Kahn

“ Doug was one of my many residents and he was my best buddy! This man taught me and Darlena another sweet lady that dedicated her time to help Doug learn so many things. Me and her always loved playing Corn Hole with Doug even tho he had us in stitches from clearing wreaths off doors tossing those bean bags lol .He also enjoyed every minute we spent with him . He was a sweet soul and I will miss him sooo much . But most of all I will miss his sweet laugh and him asking me to fix his Alexa like I did every time she quit working . Go rest high buddy and know you were loved and missed every day . Love always Deb and Darlena
