“ Was sad to see Dwight had passed away. He was friends with my brothers, Frank and Goodie, and at our home several times when they were all kids. Of course our whole family considered the Jackson boys to be almost like family. His sweet mother, Macy, was my Sunday School Teacher years ago. May God bless all who morn his passing. So sorry for your lose.

“ Through the years I have always remembered Dwight, my classmate at White Country Central. He was kind of quiet, very fun-loving and kind. Special memories of a summer our families spent working in the cherry harvest in Suttons Bay, Michigan. We lived next door in an itinerant worker 'village', working during the day,swimming, playing and eating ice cream in the evenings. Glenn, you remember? I'm sorry to hear of Dwight's passing. I only saw him briefly one time after graduation. Be comforted in your memories.

“ So sorry to hear of your loss! I only had the chance to meet Dwight about 7 years ago when he worked so hard to help Lynn Roe build a fence. He was so patience and kind to work and help LynnRoe get it finished. Gentle, kind and giving seem to be words that describe the Dwight I got to know. The world needs more men like him. May God be with you and your family as you go through this time. Lynn Roe and I will be praying for you. We are saddened that we won't be able to be there but our hearts will be thinking of you today and the days ahead.

“ Glen & family, I am so sorry to hear of your loss. I know how hard it is to lose a brother that you love so much. I haven't seen Dwight in several years but he was always nice to me, rather quiet & shy. My thoughts & prayers are with all of you at this time.
