“ *Big Daddy was my surrogate grandfather. He was so special to his grandson--my husband, Tim. He was also a wonderful great-grandfather to our daughter Ivy in the short time that she knew him. We will miss him so much.*

“ *To our wonderful neighbors and North "Main" family (no not Maine, Vermont or New England at all:-}}}}}.just us Main folks:-}), we are thinking of you and your entire family. We told Oscar and Aspen not to bark because we are sure everyone needs some rest...no promises! Let us know if you need anything.

“ *Bruce, Wayne & Dean-  
I'm sorry to hear of Earl's death, though I understand he has been in pretty bad health for awhile. I recall Dad's last year and sympathize with you. Earl was a great guy...we all kind of shared our parents back in those days. I enjoyed my last time with Earl a few years ago there at your home place...I got a short video of it and am happy to have it. If any of you would like it, I'll be glad to burn a copy for you, just let me know. Take care guys, we're all on our own now.*

“ So sorry to hear about the loss of Earl. He worked at Virginia Power with my father and uncle. He was a really sweet person and I know he will be greatly missed.

“ So sorry to hear of the loss of your Dad. Earl and Frances had such a wonderful influence on my early life and my parents really missed them when Dad was transferred to Crewe. May you find much comfort in your wonderful memories.
