“ Everyone in life has a few people that they look up to mine is my mom Francis and Aunt Joann. Aunt joann was one of those ladies that had a smile on her face just as soon as she walked in a room. Her house always smelled of something good to eat ,and when u were down she always knew how to pick u up and still let u keep ur pride. In every since of the word she was home... There is not a Snelson family memory that she isn't part of, weddings, baby showers, funerals, the very last time I saw her ,she had stop by to check on my mom and dad. By the grace of God I was in town for a visit. And she reached across the table and grabbed my hand and gave it a squeeze and said ' I'm proud of you' let me tell you , hearing that from one of your hero's ... Is golden!!! I love you Aunt Joann
