“ I am so sorry that I haven't responded sooner, but I just found out last night when working on the family tree with Heather. Its always hard to deal with a passing of a family member no matter what age or circumstance.

Your in my thoughts and my sympathy goes out to all of you. I miss the old days of family gatherings and potluck dinners. Take care cousins and treasure the memories of the wonderful, loving Wooten family we came from.

Love to you all.
