“ Prayers are sent to you all during this time of loss and sorrow. Miss Edna was phenomenal, a great person. She was the strongest women I have ever met, she was determined, funny, hardworking, nonjudgemental, caring, and the list can go on forever. Many have learned from her skills and benefited from her kindness, I am one of them and Miss Edna always has a place in my heart. Her journey just begun as a guardian angel and she can now watch over everyone at once with no pain or worries. Our prayers are with you!

Her Journey:

*Don't think of her as gone away,
Her journey's just begun.
Life holds so many facets,
This earth is only one.
Just think of her as resting
From the sorrow and the tears,
In a place of warmth and comfort,
Where there are no days and years.
Think how she must be wishing
That we could know today,
How nothing but our sadness
Can really pass away.
And think of her as living
In the hearts of those she touched,
For nothing loved is ever lost,
And she was loved so much!!!!

“ Sometimes someone comes along and makes alot of difference in your life, and you wonder how you got along before then. That's what Miss Edna meant to me, an I will miss her so much. We worked together for a long time. She helped me in so many ways, I will never forget her and how she would cheer me up, when I was down. She made work fun and we always laughed alot and had many good times together. To Edna's children and grandkids, may God comfort you in this time of sorrow and remember just how much we loved her.

“ Luke, Jessie and Rena, I am so sorry to hear about Edna. She was always the same no matter where you saw her, at work or just shopping she always had a smile and kind word to say. I know she will be missed by many but I also know her memories will never fade from those that were lucky enough to have known her. God Bless you all.
