“ I met Kirk seven years ago when he came to Winrock International. We became close friends when we soon realized that we were both Church of Christ members and we formed a special bond. Throughout the years we talked on a very regular basis, when he wasn't traveling and was in the office, about family and church and became support for each other in the work environment. I grew to love his family and it was very devastating to lose him and I will never forget the great friendship we had. To Bonnie and the family I want to say that I loved him as my brother and I share in your loss. Please know that you are in my prayers for strength and love during the difficult time and I'm here if you ever have a need for me.

“ I sat next to Kirk for almost two years while we worked at Winrock. I didn't realize until I heard about his passing how close I felt to him. He was a wonderful, kind-hearted man who taught me a lot about being a Christian husband & father and where my priorities ought to be; sometimes with advice (only when prompted of course!) but more often by example. He was instrumental in encouraging me to follow my calling and become a teacher. He got so much joy from his family, I'll be sure to keep you all in my prayers.

“ *To Bonnie and family*

We were so saddened to hear of Kirk's passing. What wonderful memories of Kirk's teaching the word and his beautiful voice leading singing. We also remember all the camp-outs and backpacking trips and of course the fun B.B.Q.'s at the different homes. You and Kirk added so much. We pray you and the family will be comforted with the memories and all the love we send to you. Please know you will be in our prayers for strenght and comfort during this hard time.
