“ Wanda and Family,

*Patsy and I send our heartfelt condolences and love... We hope to express them personally with you in BK, May 7...*

*From my childhood, I remember fondly your folks and Edwin from the many evenings I spent "picking" all of your brains in your home as I tried (just one time) to best your grades... Owed to all your efforts, I did on one test out of hundreds (It remains one of my proudest achievements)...*

*With Love,*

*Bobbie & Patsy Weber*

“ I will miss Eddie, He has been a great friend. I met Eddie ten years ago on the internet through a friend of ours from Canada, who has since passed on. I talked to Eddie last week to say I would be coming to see him in the coming weeks so this is a shock to me. Wanda you and your family are in our prayers. My brother Roger admired Eddie. He will be missed. Now he will have a reunion with his parents who he missed.
